## Gall Robertson CA

### **"Supporting Young Entrepreneurs running Rural Businesses"**

We are holding two workshops in the Training Room at the Borders Machinery Ring (BMR) offices in Earlston.

The workshops are informal and following feedback - enjoyable! They are being held on consecutive Tuesday mornings from 9.30-12.30 in November 2018 and are tailored to suit farming and farm diversification activities and will cover:

- **Workshop 1 - 6th November Understanding your accounts - how to use them to make better decisions and become more profitable**
- **Workshop 2 - 13th November Update on Legal matters for Farmers & Cultivating Leaders**

The workshops are free of charge to Gall Robertson clients, for others £30 for two workshops.

Places are limited for each workshop and therefore early booking is advisable.

To book your place contact us [info@gallrobertsonca.co.uk](mailto:info@gallrobertsonca.co.uk)
